

BillFlash

Patient Statements Made Easy!

Why Do You Need BillFlash?

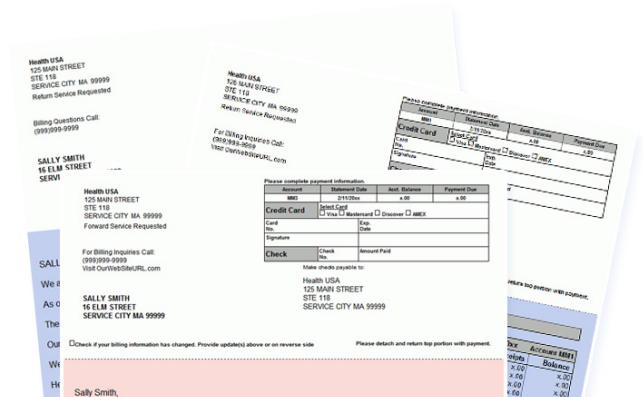

A growing percentage of healthcare revenue is now coming directly from patient payments instead of insurance claims. Over the past four years **patient responsibility has increased by 150%** and the trend is continuing at an accelerated rate. You can capitalize on this important development using BillFlash for patient statements. BillFlash dramatically increases patient payments and reduces A/R cycle time.

Let us show you how you can save time and money with **BillFlash**.

Did you know...?

- BillFlash costs less than the “other guys” and provides more online control features
- BillFlash has superior technology and is the leading statement solution in the healthcare industry
- Enrollment only takes 15 minutes and you can be sending statements the same day
- There are no long-term contracts with BillFlash
- BillFlash has an automatic address updating service that is linked to the USPS database

with BillFlash:

- ✓ You get the comprehensive options you need to effectively Send Bills & Get Paid
- ✓ You experience innovative services that are easy to use and work well together
- ✓ You maintain control while you benefit from outsourcing
